

Boreham Primary School
A Friendship School

'Learning and achieving together in a caring and creative environment'

Boreham Primary School Governing Body

Governor Profile

Name: Mr Ian Bowyer

I was appointed as Head teacher of Boreham Primary School in April 2013. I was previously the Deputy Head teacher and Special Educational Needs Co-ordinator (SENCo) at Westlands Community Primary School. I started my teaching career as a newly qualified teacher at Newland's Spring Primary School where the Head teacher was Mr Roger Leeke, who is also one of our governors.

Being a father of three young children and a Head Teacher is a demanding role! I very much recognise the pressures that come with being a parent and working full time!

Out of school I have a real passion for sport, in particular cricket and football, and support Arsenal and Chelmsford City FC! When I get the time, I also love cooking, especially a roast dinner on a Sunday!

Boreham Primary School is a village school with over 200 children on roll. We pride ourselves on working together with parents and children to ensure a happy learning relationship for all pupils. Our governors, staff and pupils make Boreham Primary School a pleasure to be part of, with shared principles of friendship, trust and mutual respect leading to high achievement.

All the staff of the school, both teaching and non-teaching, are very conscious of their pastoral responsibilities. High expectations and the happiness and well-being of the children are at the centre of our vision.

Standards of achievement are very important to us. We put great store by hard work, caring attitudes, honesty, truthfulness, loyalty and pride in ourselves as well as in our school.

At Boreham Primary School we believe that diversity is a strength which should be respected and celebrated by all those who learn, teach and visit here. We constantly strive to help pupils understand the world around them and to develop a respect for the legitimate religious and moral values of others in a multi ethnic society. Our seven school values promote this and are modelled on the Olympic and Paralympic values.

We are a school that cares about all those in our community. Our relationship with St Andrew's Church, Boreham Parish Council and local nursery schools is testament to this. You are always welcome at the school, whatever your reasons for coming in. The doors of our 'friendship' school are open to you.
