## HEADTEACHER UPDATES

### The Queen's Platinum Jubilee

The school will be organising its own celebration of The Queen's Platinum Jubilee on Thursday 26<sup>th</sup> May. All children and staff are encouraged to wear a mixture of red, white and blue to school on this day. (Our two Year 5 classes have PE that afternoon so will need to bring their PE kit to school to change into).

During the day, every child will decorate their own crown which they will wear to a whole school outdoor special picnic lunch. The menu for this day will follow shortly.

As part of this special celebration, the school will be purchasing a memorabilia gift for every child. We will be organising additional activities on the day which will include designing portraits of The Queen and creating a whole school time capsule too.

### Collection at the end of the school day

During the Covid pandemic we introduced a new one way system a couple of years ago with two separate entry and exit gates. This system has proved to work extremely well, not least for those parents with buggies and we would like to remind parents that the one-way system is still to be adhered to.

At the end of the day you should enter the school via the main school gate **and not via** the double gate next to Susan the Dragon as this is the exit only. When exiting the school, please exit the school **only** via the double gate next to Susan the Dragon.

Thank you for your continued support.

Have a wonderful extended weekend.

## RSHE WORKSHOP FOR PARENTS

This Relationship and Sex Education workshop has been created by [Brook](#) (The UK's largest young people's sexual health charity) especially for Essex parents and carers.

Talking to young people about their sexual health can be a challenging experience. In this training, Brook draw on their 55 years of expertise of talking to young people about their sexual health. And provide a comprehensive overview of the information that parents need to know.

### Learning outcomes:

- How the new legislation will impact on your child
- What it means for primary & secondary school students
- What is taught and why we teach it
- How you can continue those conversations at home.
