## Boreham Primary School Governing Body

### Governor Profile

Name: Michelle Jones

My name is Michelle Jones, I would like to say how honoured and excited I am at being asked to join the already fantastic Boreham School Governors Team. It's a very dynamic and hard-working group so I will have to keep on my toes, I promise to try my hardest for you all, and to help progress our amazing school even further.

I'm a self-employed Bookkeeper and PA, it's different every day and I can work from home (or a coffee shop should the mood take me) I had a very different start to my working life as I attended The British Horse Racing College in Newmarket and went on to work at Racing Yards in the UK and Europe. That lasted a few years, but I grew homesick, so came back and started working at the Head Office for NatWest in London.

I have moved 14 times in my life so far, so can safely say that Boreham has felt the most homely and welcoming of all the places I've lived, which is why my husband and I chose to settle here in 2004 and now our two Children, Sophie and Libbie, both go to Boreham School.

Over the years I have regularly supported Mr Bowyer's outside painting projects as a volunteer, hear children read in school on a weekly basis and help during the summer term swimming lessons too. I'd like to feel that I have a drive for the children to succeed in all of their adventures in life, and also to see the school bask in the glory of their successes as they are always well earned and well deserved, which is due to all of the staff's efforts and the children's determination.

The role of a Governor is often described as that of a 'critical friend', I really hope I can achieve that, when needed, for both teachers and parents.
